

## **Cobra Wrestling Scholarship Fund Criteria**

Cobra Wrestling Scholarships are awarded to individuals, who have completed high school, wrestled for Cobra at least 3 complete years and are now pursuing a job, trade or college degree or just have some debt to retire. Individuals can apply for a scholarship on an annual basis, but can only receive a scholarship once. The Cobra Scholarship Board will pick scholarship winners and has sole discretion in its decisions. There can be up to two winners per year with a maximum payout of \$900. The maximum payout can be changed at the discretion of the Cobra Scholarship Board. Individuals will need to fill out the on-line application form or download the application form, fill it out and turn it into a Cobra Scholarship Board member to be eligible for a scholarship. The application cut off for the year will be July 31st. Scholarship winner(s) will be chosen by the end of August and awarded their scholarship at one of our wrestling tournaments. All applications will be purged after winners are declared. Cobra Scholarship Board reserves the right to change criteria and add / delete board members with a simple majority vote at any time.
